

Age-Friendly Louisville Progress Report

Featuring Guest Speaker: Bill Armbruster
Senior Advisor, AARP Livable Communities

SEPT 26

Join Age-Friendly Louisville September 26th for a progress report of our four workgroups: Housing; Mobility & Access; Social Participation, Respect & Inclusion; & Community Support and Health Services.

Since they began meeting in January, the workgroups are making great strides in reaching their goals outlined in our community-driven strategic plan. Come learn about these projects and the impact they are making!

This event will feature a national guest speaker: Bill Armbruster, Senior Advisor from AARP's Livable Communities Department.

Coffee & light refreshments will be provided.

>>> What to Expect

- 1 Progress updates from our workgroups and how you can get involved

- 2 Guest Speaker: Bill Armbruster

We are excited to share that Bill Armbruster, Senior Advisor of AARP Livable Communities, will be joining us digitally to share updates on age-friendly, livable communities.
